U3A stands for University of the Third Age. It is an organisation for older people no longer in full time employment who are interested in pursuing a variety of learning and recreational activities.

There are no educational pre-requisites. Costs are kept low as tutors and group leaders come from within the groups.

The annual subscription is \$30 per person (\$40 if the newsletter posted), with low incidental costs for some groups.

How is **U3A** run?

U3A members organise their own activities, share their knowledge and skills on a voluntary basis and have fun together.
