

## **"She'll make a list...!"**

When the final trump shall sound, when the judgement's all around,  
When what was written in Revelation is writ large in every nation,  
When the world is covered in haze and we've reached the end of days,  
Carmyl will pause and make a list.

*She'll make a list, she'll make a list, she'll grab a scrap of paper get a biro in her fist,  
When the final trump shall sound loud enough to shake the ground,  
Carmyl will be there making a list!*

When the lookout turns volcanic and the town begins to panic,  
As the town sinks beneath a pile of lava,  
Tallangatta is the new Vesuvius and although I have no proof of this,  
I think I know what tactic Mum would rather ...

*She'll make a list, she'll make a list, she'll grab a scrap of paper get a biro in her fist,  
When the final trump shall sound, loud enough to shake the ground,  
Carmyl will be there making a list!*

When a freak Hume weir tsunami wipes out half the Bandiana army,  
As the tidal waves come surging from the west, (from the west),  
While the folks will all aspire to find some ground that's higher,  
Carmyl will go to the bench and do what she does best

*She'll make a list, she'll make a list, she'll grab a scrap of paper get a biro in her fist,  
When the final trump shall sound, loud enough to shake the ground,  
Carmyl will be there making a list!*

Reprise.. ('One more time...')

*She'll make a list, she'll make a list, she'll grab a scrap of paper get a biro in her fist,  
When the final trump shall sound, loud enough to shake the ground,  
Carmyl will be there, (...will be there... ) making a list!...  
Carmyl will be there ... making (... making ..a) ...a ....list!*

*'She'll make a list' was sung by brothers Michael, Steven and Tim Winkler, at a celebration for Carmyl's birthday around 10 years ago. Lyrics, Michael Winkler. Music –verses fit Gilbert and Sullivan's 'I am the very model of a very modern Major General' while the refrain is reminiscent of toe tapping Dixieland Jazz. (Cassette recording was played to accompany Carmyl's story 'Right Here, Right Now', at U3A in October 2023)*
